Vintage Wood Stoves

The Vintage 50 is the largest woodburning stove in the Vintage range and has a wide, landscape window through which to enjoy the captivating, rolling flames created by Dovre's Cleanburn system, that is so efficient the Department of the Environment has approved it for use in Smoke Control Areas*.

With 9kW of heating power, the Vintage 50 has the capacity to heat large rooms with ease. Its designer retro looks are perfectly complemented by a choice of either Anthracite or White enamel finishes creating a striking focal point for any interior space. The Vintage 50 is supported by four cylindrical legs, or to make an even bigger style statement, display it on the optional tablet stand.
