

CL3

Multi-fuel Stove

Designed to be equally at home in either a traditional setting or today's more modern interiors, Yeoman's new woodburning and multi-fuel CL range of stoves are an eye-catching focal point. Furthermore, the CL range offers the very latest in heating technology creating high

efficiency and trend setting aesthetics. The smallest in the series, the CL3, makes a big impression despite its compact proportions. To complement the gentle curves of the stove front, there is a decorative cast top plate available for each of the CL stoves as an optional extra.

- Multi-fuel model
- External riddling
- Clean Burn – the tertiary air system provides greater fuel efficiency (up to 86%)
- Smoke Control Area Approved*
- Yeoman Airwash System – to give a clearer view of the flames
- Optional decorative cast top plates
- Top or rear flue – 128mm (5")
- Levelling system
- Stainless steel handle with self locking function
- Contemporary screen printed ceramic glass
- Integral raised plinth
- High performance firebox lining to enhance combustion process
- Heavy duty steel construction
